

Vostro 3000 Series Laptops

Styled for work. Styled for you.

Accomplish more – in style.

The new Vostro 3000 Series laptop, available in 15", delivers the right balance of business features and performance for business and working professionals.

This series of essential productivity laptop is powered by an energy efficient, ultra-low voltage 4th Generation and 5th generation Intel® processors with up to Core™ i5 performance, delivering up to 8 hours and 42 minutes on the 15" with a 4-cell battery.¹

It is available in black (or matte metallic red color option in some regions), and features a micro-stripe textured cover. Not only does it give the laptop a professional look, the practical design makes it more resistant to scratches from everyday use.

For more demanding graphics-rich applications or uninterrupted multi-tasking performance, you can opt for (in some regions only) the built-in discrete graphics from NVIDIA with up to 2GB^{3,4} memory and up to 16GB of high-speed RAM options for a performance boost.

Features that help you get more done.

The portable Vostro 3000 Series laptop is less than 1" thin and packed with business features to make your work life easier.

Featuring a 15.6" anti-glare screen with HD resolution, you will appreciate the clarity and reduced reflection when working in different lighting environments.

The Vostro 15 also features a 10-key numeric pad to help you breeze through spreadsheets. And with the spacious palm rest and large multi-touch touch pad, you can type and navigate comfortably throughout your work day.

Collaborate remotely or take your meetings online with the built-in HD webcam and Waves MaxxAudio® audio enhancing software. Your customers will be impressed by this video conferencing solution that reduces background noise and boosts audio clarity.

The laptop is equipped with a VGA output for you to easily connect with legacy peripherals or projecting your presentations wherever your work takes you.

With up to 1TB⁵ of hard drive space, you don't have to worry about running out space for all your presentations, documents and important data.

Three USB ports, a media card reader, with a built-in optical drive give you the flexibility to quickly access the data you need to maximize your productivity.

Dell service & support. We're here to help.

The Vostro 3000 Series laptop offers a suite of service and support solutions to help minimize your downtime including self-help support that can be conveniently and easily access right from your desktop.

Your investment comes with world-class warranty and Next-Business-Day onsite Service after Remote Diagnosis⁶ to help you get right back to work with minimal downtime.
